MEMO

To: Customers of *Status*[™] COVID-19/Flu A&B test kit

Re: Expiration dating

Dear Valued Customer,

The shelf life of the *Status*[™] COVID-19/Flu A&B test kit ("product") was initially established as 6 months due to the rapid and recent development of the product and according to regulatory requirements. PBM has continued to conduct real-time stability testing to extend the expiration date. The product in your possession may now have an expiration date that is later than the labeled date.

The affected product lot numbers, originally labeled expiration date, and updated expiration date are listed below. These products were labeled with a 6–18-month expiration date. All products now have a 24-month expiration date. Please retain this memo with your product records.
